

# **Zebra Setup Utilities**

### PRINTER SETUP MADE SIMPLE

By enabling you to quickly and easily configure select Zebra® high-performance, midrange, desktop and mobile printers, the free Zebra Setup Utilities will enhance your printer experience right out of the box.

Easy-to-use wizards quickly guide you through configuration, whether you're adding a new printer, moving an existing printer to a new location or looking to add new capabilities. Printer setup and configuration is now click-simple — no need to create and send complex command scripts.

#### Just Click to Configure!

- Printer Settings Wizard Intuitive wizard steps you through the printer setting configuration process. Quick and easy!
- Print Quality Wizard New, innovative tool helps you set the best speed and darkness combination for your media.
- Connectivity Wizard Guides you through configuring network and / or Bluetooth<sup>®</sup> connectivity settings, simplifying a complex task.
- Preloaded Microsoft<sup>®</sup> certified Windows<sup>®</sup> driver — Automatically installs printer driver when using USB plug-and-play. You don't have to do a thing.
- Quick Tools Quick access to the most common printer diagnostic tools makes it simple to test / confirm printer configurations and control printer functions.
- Font and Graphics Downloader Saves font and graphic details for reuse or later editing.
- File Editor and Terminal Window Create, Edit and Print commands from a single window eliminating the need for separate editing and communication applications.
